

**Embassy of India
Addis Ababa**

CIRCULAR MESSAGE

10 September 2024

The Gandhi Memorial Hospital at Addis Ababa was built in 1948 where Indian nationals substantially contributed. A plaque indicating name of major donors is placed at the entry gate of main building. This Hospital serves as an organic linkage between India and Ethiopia and offers maternity and gynaecological services to the citizens. It is largely popular among people who could not afford to seek treatment in private hospitals.

In order to further strengthen people-to-people connect between India and Ethiopia, it is proposed to organize the Gandhi Jayanti celebrations at Gandhi Memorial Hospital on 02 October 2024 at 1000 hrs. The activities include offering gift bags to the patients and new-born child, primarily consisting of items which are of their immediate need or of something which is needed for the Hospital. A list of items is indicated in Google Sheet <https://forms.gle/Siffws5w8HGajL4P9> **NO CASH DONATION IS ACCEPTED.**

It is also proposed to carry out voluntary cleaning work of the Hospital on 02 October 2024 from 06:30 a.m. onwards. Food/snacks will be provided to all the participants.

Interested participants may kindly fill-up the form and register themselves including convey the items which they wish to contribute either through donation of items or voluntary work. Those who are only interested in taking part in the celebration are also welcome.

Minute-to-Minute programme will be conveyed to the registered participants in due course.
